

508th CELEBRATES ANNIVERSARY

REGIMENT CELEBRATES FIRST YEAR OF ACTIVATION AS ONE OF UNCLE SAM'S FIGHTING UNITS

The anniversary day ceremony, which featured higher headquarters Messing through an army regulation covering organizational day observance, were observed in the old barracks in a big way.

The ceremonies were begun at 11:30 a. m. when Major General Chapman returned the regiment at the parade ground opposite Airborne Command Headquarters. Many friends and relatives of the men were present at the parade which was perhaps the most colorful in the regiment's history. The parade was highlighted by speeches from General Chapman and Col. Lindquist, the invocation by Chaplain Elder, and finally the reading of the regimental history by Capt. Peterson.

Then, at 1:30, dinner was served in the mess hall with an open invitation extended to all friends and relatives of the men.

The climax of the day's activities was reached at 5:00 p. m. At that time members of the first and second battalions attended a show at the mess hall, "The Merry-Go-Round" at 5:30 p. m. and the third battalion and second mess were treated to "Relax from Broadway" at 6:00 p. m.

COL. LINDQUIST LAUDS PROGRESS OF REGT.

Colonel Roy E. Lindquist praised the progress of the regiment and expressed the belief that the future would bring even greater and more important successes to the group of men "reckless history."

His speech followed "The Merry-Go-Round" at 5:30 p. m. and "Relax from Broadway" at 6:00 p. m.

MAUREEN O'HARA SENDS GREETINGS

FOXHOLE GIRL OF THE REGIMENT WIVES "BEST TO ALL THE BOYS"

When Miss Maureen O'Hara was elected The 508th Foxhole Girl in an election held here in these four pre-warrior days it created a bit of a stir in these parts but eventually the news receded. Now, however, we're sure that the beautiful Hollywood star still remembers us.

The following is a wire to us from the very public relations girl of our dreams:
